Please note: Only tests that are medically reasonable or necessary for the diagnosis or treatment of a Medicare patient will be reimbursed. The Office of Inspector General - OIG takes the position that a physician who orders medically unnecessary tests for which Medicare reimbursement is claimed may be subjected to civil penalties under the False Claims Act.

- Test Panels are tailored to meet the needs of the referring healthcare practitioner
- Test Panel discounts only apply to tests ordered at the same time
- IGeneX, Inc. accepts Personal Checks, Visa, MasterCard, Discover, American Express, and Money Orders in US dollars
- Canadian/International Residents - No Personal Checks accepted

Please Note: **S** - Lyme and/or TBRF ImmunoBlot Speciation will be included and reported when ordering Lyme, TBRF, and Tick Borne Disease Panels excluding panels: LPA, LPCR1, *TBD7, and *LU1. Lyme ImmunoBlot Speciation are not yet available to New York Residents.
